HONORABLE BOARD OF SUPERVISORS  
County of Los Angeles  
501 Hall of Records

Gentlemen:

SUBJECT: ANNEXATION OF A PORTION OF A COUNTY  
HIGHWAY TO THE CITY OF LAKEWOOD

Amendments to the Government Code enacted by the 1955 Legislature permit the Board of Supervisors to initiate proceedings whereby unincorporated territory consisting solely of highways, or portions thereof, and bounded on both sides by city boundaries, can be annexed to one of the adjacent cities. The reason for annexing such unincorporated highways to adjacent cities is to remove a confusing problem of control and supervision over performance of governmental services on such highways, which confusion also results in inconvenience to the public, particularly abutting property owners.

On March 26, 1957, the City Council of the City of Lakewood adopted Resolution No. 529 requesting the Board of Supervisors to effect the annexation of a portion of a County highway described as Increment 7 to the City of Lakewood. This portion of unincorporated territory, consisting solely of a highway, has been approved by the Los Angeles County Boundary Commission as required by law. The City of Long Beach which bounds this increment on the opposite side, has no objection to this proposed annexation to the City of Lakewood.

This office and the County Engineer have investigated this proposal and concluded that it would be advantageous for the County to effect the annexation of this portion of a County highway to the City of Lakewood. Proceedings are initiated by the Board of Supervisors by passing a resolution of intention to cause the annexation and filing a notice of a public hearing. Subsequent to the hearing, a majority vote by your Board will make the final decision on the proposed annexation.

### IT IS THEREFORE RECOMMENDED

That your Board adopt the attached resolution to cause this annexation, and to file notice of a public hearing thereon, in accordance with the provisions of Government Code Sections 35450-58.

Very truly yours,

ARTHUR J. WILL

INCREMENT 7 -- SOUTH STREET BETWEEN DOWNEY AVENUE AND  
HAYTER AVENUE.

Beginning at the delineated northwesterly corner of Lot 1 in Block 33 of the California Cooperative Colony Tract, as shown on map recorded in Book 21, pages 15 and 16 of Miscellaneous Records, in the office of the Recorder of the County of Los Angeles; thence northerly in a direct line to the delineated southwesterly corner of Lot 16 in Block 29 of said California Cooperative Colony Tract; thence easterly along the boundary of the City of Long Beach as same existed on January 31, 1957 to the boundary of the City of Lakewood as same existed on said date; thence southerly and westerly along said last mentioned boundary to the point of beginning.

Re: Proposed Annexation to  
the City of Lakewood,  
Annexation No. 7

Dear Miss Birch:

At the meeting held on February 13, 1957, the County Boundary Commission reviewed the boundary description and map submitted by Henry L. Goerlick, Acting City Administrator, with his letter of January 27, 1957, of the proposed annexation of territory to the City of Lakewood.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,
